ELIGIBILITY

Anyone who has been employed for at least twelve (12) months by the school system and anyone who has at least 1,250 hours of service (hours used for leave, even FMLA leave, shall not be credited for service for purposes of FMLA eligibility¹) during the previous twelve-month period.²

GENERAL PRINCIPLES

An eligible employee shall be granted, upon request, up to twelve (12) weeks unpaid leave during a fixed calendar year for the following reasons:

1. the birth of a child;
2. the placement of a child with the employee for adoption or foster care;
3. a serious health condition of the employee that makes the employee unable to perform the essential functions of his or her job position;
4. the care of a spouse, child, parent, or next of kin of the employee who has a serious health condition; and
5. any qualifying circumstances arising out of the fact that a spouse, child, or parent of the employee is on covered active duty, or has been notified of an impending call or order to covered active duty, in the Armed Forces.

Use of accrued paid leave shall run concurrently with and be counted toward the employee's total period of FMLA leave.

leave shall run concurrently with leave provided under the Tennessee Maternity Act, which affords eligible employees leave for a period not to exceed four (4) months for the adoption, pregnancy, childbirth and nursing of newborn child.³

2. *Teachers' Sick Leave* - In accordance with state law, upon written request of the teacher accompanied by a statement from the teacher's physician verifying pregnancy, any teacher who goes on maternity leave shall be allowed to use all or a portion of the teacher's accumulated sick leave for maternity leave purposes during the period of the teacher's physical disability only, as determined by a physician. Upon verification by a written statement from an adoption agency or other entity handling an adoption, a teacher may also be allowed to use up to thirty (30) days of accumulated sick leave for adoption of a child. If both adoptive parents are teachers employed by the district, however, only one (1) parent is entitled to use such leave.⁴

Spouses who are both eligible employees of the school district are limited to a combined total of twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for birth and care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who has a serious health condition. Under certain circumstances, spouses who share leave for the birth or adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA reasons.⁵

LEAVE FOR A SERIOUS HEALTH CONDITION⁶

Eligible employees, upon request, shall be granted up to twelve (12) weeks of unpaid leave when he/she is unable to work because of a serious health condition or to care for an immediate family member with a serious health condition. Granting of such leave shall be subject to the provisions of applicable federal and state laws. Employees shall contact Human Resources to determine if the reason for leave qualifies as Family and Medical Leave. If the leave is foreseeable, the employee shall give thirty (30) days' notice. If the leave is not foreseeable, the employee shall notify Human Resources as soon as practicable-generally, either the same or next business day.

LEAVE FOR MILITARY FAMILY MEMBERS

1. *Qualifying Exigency Leave⁷* - Eligible employees are entitled to up to twelve (12) workweeks of leave because of any "qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee, as defined under

the FMLA, is on active duty, or has been notified of an impending call to active duty, or has been notified of an impended call to active duty status, in the Armed Forces. Qualifying exigencies may include :

- a. issues arising from the service member's short notice deployment;
- b. military events and related activities (e.g. official ceremonies, support programs);
- c. making or updating financial and legal arrangements, attending counseling;
- d. taking up to fifteen (15) days leave to spend time with a covered service member who is on short-term rest and recuperation leave during deployment; or
- e. attending post-deployment activities.

2. *Military Caregiver Leave*⁸ - An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member or covered veteran with a serious injury or illness is entitled to up to twenty-six (26) workweeks of leave in a "single twelve (12) month period." A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the temporary disability retired list, for a serious injury or illness.

A covered veteran is an individual who was a member of the Armed Forces at any time during the period of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a serious injury or illness who is currently receiving medical treatment, recuperation, or therapy.

The calculation of this 5-year period shall not include the interval of October 28, 2009 through March 8, 2013. The "single twelve (12) month period" for leave to military caregiver leave begins on the first day the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is limited to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service member. The maximum of twenty-six (26) workweeks may include no more than twelve (12) workweeks of leave that is taken for the birth and care of a newborn child, for placement of a child for adoption or foster care, for care of a parent who has a serious health condition, or for the employee's own serious health condition.

INTERMITTENT LEAVE⁹

Eligible employees may take FMLA leave intermittently when medically necessary to care for a seriously ill family member, or because of the employee's own serious health condition, or for the care for a newborn, a newly adopted child, or a newly placed foster care child. When a licensed employee requests foreseeable leave for planned medical treatment and the employee would be on leave for greater than 20% of the total number of working days in the period during which the leave would extend, the school may require that such employee elect either to take the leave for periods of a particular duration, not to exceed the duration of the planned medical treatment or to transfer temporarily to an available alternative position offered by the school system for which the employee is qualified, and that has equivalent pay and benefits and better accommodates recurring periods of leave.
